## **CATERING & EVENT FAQs**

#### **CAN WE BRING DECORATIONS?**

Absolutely! The only decorations that are not permitted are confetti/loose glitter and fire-burning candles. All decorations must be taken with you at the end of the event and The Chancery is not responsible for any personal decorations/items provided by your party.

#### CAN WE BRING IN OUR OWN CAKE/DESSERTS?

We have a talented baker on staff, but understand that cakes can be a pretty personal decision. **Cakes and cupcakes must be purchased from a bakery** (i.e. nothing homemade). If you have dietary restrictions that require you to bring in your own non-cake desserts, other than what is on our menu, please let us know. They also must come from a bakery/commercially licensed kitchen.

#### WHAT IS THE CANCELLATION POLICY?

Cancellations are a bummer, but life happens! If your event/catering order is canceled within 15 days of the event/order drop off, all fees are non-refundable. The event/catering order may be rescheduled within the same calendar year, pending date approval by our catering team, without additional fees (with the exception of price increases, in which you'd pay the difference).

#### WHAT ARE THE FEES?

An administrative fee may seem like a money grab, but there's good reason for it! Different from gratuity that goes directly to our hourly staff/bartenders, the administrative fee is retained by The Chancery to offset operational costs associated with events. You may also incur a room rental fee, which starts at \$250.

#### WHAT IS THE PAYMENT SCHEDULE?

Your event/order is not finalized until the contract has been signed and the 25% deposit has been paid. The final balance **must be paid 7 days prior to the event/order**.

Any costs incurred during the event will be due immediately upon the event's completion. Late payments will incur a 15% fee of the total bill per day after the conclusion of the event.
